Soft Skills	Communication, Leadership, Team Collaboration, Adaptability

EXPERIENCE

Full Stack Development Intern May 2025 - July 2025
ADHOC Network Tech Company *Vishakapatnam, IN*

- Developed and maintained web applications to support the company's edutech platforms, focusing on building a clean and functional user interface.
- Gained hands-on experience in full-stack development using MongoDB, Express.js, React.js, and Node.js to complete the assigned project modules.
- Collaborated with a small team to troubleshoot and fix bugs in the platform, ensuring a smooth user experience for students.

PROJECTS

Weather Forecasting Tool Built a tool using Python that integrates with the OpenWeatherMap API. The tool parses real-time and multi-day forecast data, displaying key weather metrics on an interactive dashboard that also includes visualizations of temperature and precipitation trends generated with the Matplotlib library.

Handloom Digital Promotion Portal Created a community-focused web portal using a combination of HTML, CSS, and JavaScript. The platform was designed to digitally promote local handloom products, serving as a central hub for weavers to showcase their craft and connect with a broader online audience.
